

Calculators will be repaired free of charge by the manufacturer or its member at the Authorized Service Center according to the following terms and conditions:

1. The original GST paid purchase invoice will be required to be presented to avail warranty services at the Authorized Service Center.
2. This warranty will be valid for a period of 36 months from the date of original purchase against all manufacturing defects. The purchaser will thereafter be charged for all repairs.
3. This warranty will not extend to the following:
 - Damage or defects caused by transportation, water seepage, abuse, improper use, or negligent care.
 - Consumables (battery etc.) or any accessories.
 - Damage or defects caused by alteration, conversion, modification, improper repair, or unauthorized repair or opening of the unit.
 - Discoloration of the product.
 - Fading of printed legends on the product.
 - Damage or defects caused by fire, earthquake, flood, or other natural disasters.
 - Manufacturer Authorized Service Center's judgment on the violation of warranty conditions will be final and binding on the customer.
4. During the warranty period and upon proof of purchase, the product will be repaired using manufacturer reconditioned/replacement parts, or the product will be replaced (with the same or similar reconditioned/replacement model) at the manufacturer's discretion.
5. The manufacturer or any member of the manufacturer's Authorized Service Center will, in no event, be liable for any disappearance, damage or change of data in memory at the time of repair.
6. This warranty will be the sole and only remedy, either express or implied, for the manufacturer's product.
7. This warranty will be available only through a member of the Authorized Center Service Centre at A-46, Delhi-Mathura Road, New Delhi-110044.
8. This warranty will apply to the original purchaser only.

The product having the following problems shall be treated as out of warranty:

- Physical damage to Liquid Crystal Display
- Scratches on the body of the product
- Physical damage to plastic parts
- Mishandling of the product
- Battery leakage
- Water seepage
- Missing parts
- Fading of printing
- Wear and tear of switches
- Discoloration of parts including cases, bands/straps

IMPORTANT PRECAUTIONS :

1. This Product is not dust resistant or water resistant.
2. If you suspect that the calculator is operating abnormally due to static electrical charge or some other problem, press ON/AC to restore the normal operation.
3. Avoid dropping the calculator and otherwise subjecting it to severe impact.
4. Never bend or twist the case.
5. Never try to take the calculator apart.
6. Wipe the unit with a soft, dry cloth to clean it.
7. A low battery can cause the problem during the calculation. If this happens, replace the battery as soon as possible.
8. The contents of these instructions are subject to change without notice.

IMPORTANT NOTE: Proper disposal of batteries is essential for environment, health & safety.

Manufacturer and its agents assume no responsibility for any loss or claims which may arise from use of this product.
